My name is Mark Allen; I am the owner & proprietor of Allen's snow removal and forestry services LLC. We fully licensed, insured, and have servicing the Telluride and surrounding areas since 2003. We have a team of seasoned professionals, as well as all the equipment and knowledge to tackle all scales of forestry work. We specialize in large scale forestry projects and have completed the 4 largest trail systems in mountain village to date! (which I encourage any future clients to view upon request).. And our goal is always to leave a small footprint..

Services and equipment include..

- * Tree felling and removal
- * Brush chipping
- * Trail construction
- * Defensible space
- * Firebreaks
- * Disposal of organic material
- * Firewood
- * Free tree assessment, consultations, and project engineering

Equipment

- * Chainsaws, chainsaws, and more chainsaws!
- * Vermeer brush chippers
- * 4wd John Deere Backhoe
- * Caterpillar High flow skid steer
- * Dump Trucks
- * Off-site disposal area.
- * Firewood splitter/ processor
