made. If your application is rejected based upon our pre-selected criteria, you will be given the name, address and telephone number of the consumer reporting agencies which provide your criminal information to us. An applicant rejected for an unsatisfactory criminal background is encouraged to obtain a copy of the criminal report, correct erroneous information that may be on the report and submit a new application to this community for further consideration.

3. Income

Verifiable gross income must be two and half times (2.5x) the amount of market rent. Two forms of employment verification are required. The most common are two most recent pay check stubs and signed employment verification form. If self-employed, a copy of the previous year's tax return or 1099 is required. If retired or unemployed, applicant may provide other sources of verifiable regular monthly income (for example: investments, trust funds, child support, alimony, housing allowance from student loans, etc.) that cover 2.5x the monthly rent for monthly income sources; or cover the entire amount of the lease term. Although each applicant must apply separately and accept that each is fully responsible for the full rental payment, combined income will be considered for income verification.

4. Employment

An application must have verifiable current employment history or a verifiable source of gross income. For self-employed applicants, a Certificate Income of Self Employment Form and required documents will be accepted.

5. Rental History

A minimum of six months of positive, verifiable rental history on a current/previous address is required. No outstanding debt to the previous landlord and compliance with all terms of the lease and community policy are also required. Three or more late payments and/or returned checks within a one year period will be considered poor payment history. Negative rental history includes any damages owed, and or evictions filed and not remedied. In the event of an applicant has history, the application will be automatically rejected with no possible remedy. In addition, the Village Court Apartments maintains a list of former residents who are excluded from renting any property managed by us because of negative previous occupancy history at the Village Court Apartments. management company, condominium association or other apartment community. If renting from a private owner (i.e. single family home) proof of previous six months rental payments may be accepted. References from family or friends are not acceptable.

6. Credit History

The Village Court Apartments uses an empirically derived, statistically sound, credit scoring system to evaluate your consumer credit report. Credit scoring is based on real data and statistics, so it treats all applicants objectively. Your consumer credit report contains information about you and your credit experiences such as your billing payment history, the number and type of accounts that you have late payments, collection actions, outstanding debt and the age of your accounts. Using a statistical program, we compare this information to the credit performance of other applicants with similar profiles which allows us to predict how likely it is that you will pay your rent in a timely manner and fulfill your other lease obligations. Based upon your credit score, your application will be accepted, rejected or accepted on the condition that additional security deposits will be paid. A "No Credit" status is acceptable if all other rental qualifications are met. If your application is rejected or accepted with conditions, you will be given the name, address and telephone number of the consumer reporting agencies which provide your consumer information to us. An applicant rejected due to unsatisfactory credit is encouraged to obtain a copy of the occupancy report, correct any erroneous information that may be on the report and submit a new application to this community for further consideration. The contents of the credit report must never be disclosed to the applicant.

No Established Credit:

If an applicant has no established credit history, but meets all other rental criteria the applicant will be permitted to either obtain a lease Guarantor acceptable to Management or pay an additional security deposit equal to the maximum permitted by state law (or, in the absence of state law, an amount equal to one month's rent) to be retained until move-out. Lease term paid in full can be offered in denials with the exception of denial due to negative credit history, rental history or criminal background check. If a Guarantor is permitted, the Guarantor's gross income must exceed five times the amount of monthly rent, in order to cover rent plus their obligations. The Guarantor must complete an application and submit the application fee. The Guarantor must meet all the above stated qualifying criteria. Lease Guarantors must complete the lease Guarantor form. They will be held as responsible as the applicant for all the lease terms.
