Meeting Notes RTA Intergovernmental Worksession

February 2, 2016

Elected Officials in Attendance:

Mountain Village – Dan Jansen, Michelle Sherry, Cathy Jett, Laila Benttez, Glen Van Nimwegen, Bruce MacIntire.

Telluride – Sean Murphy, Bob Saunders, DeLanie Young, Ann Brady, Lars Carlson, Todd Brown, Jenny Patterson

San Miguel County – Joan May, Art Goodtimes, Elaine Fischer (by phone)

Intro and background from Dan Blankenship from the Roaring Fork RTA.

Discussion of contribution or tax levels per jurisdiction

1. Each make an equal contribution – up to them to fix how to get to that amount
2. Each seek voter approval for tax at a relatively equal level, but possibly different types of tax.
3. Each ballot measure the same type of tax – same level

Discussion over continued budgetary financial contributions from the member jurisdictions.

- Continue these at current or lower level at least for the near term
- Continue at least until the approved tax revenue funds build
- Phase funding out or down incrementally

Discussion of how to communicate to voters regarding the tax measures & funding contributions. Set a compelling vision & preliminary service plan looking to the future of regional transit. Dan Blankenship discussed voter polling to learn more about the temperament on RTA formation and increased taxes.

Question of how to include future transit needs and funding required for those needs. Staff and officials discussed pros and cons of getting specific on a service plan. How detailed the IGA or ballot measures(s) are as far as service levels and future service plans.

Review and discussion on grant funding – Dan Blankenship “can’t bank on grants, they are the icing if they come in”.

Discussion of need for the RTA to build and maintain and capital fund for facilities and for vehicles.

Dan Blankenship discussed the need to have a preliminary transit plan with existing and some future services and infrastructure outlined for the voters. In communicating the ballot measure you offer the voters “status quo” or the future big picture for improved transit services with the RTA. Can have an incremental approach to the taxes and not ask voters all in one measure for future needs.

For RAFTA DMV fee was not at all popular and was not used.

Multiple taxes can be complicated to communicate to the voters. It’s possible to outline that sales tax will be dedicated for operations and admin – mill levy for capital to help with voter clarity.

According to Blankenship with RFTA - Advance voter polling was relatively accurate and helped to fine tune the messaging toward opposition opinions as well as to capitalize on the strengths of the measure.

Officials directed staff to draft a preliminary phased service plan and funding levels up to one million above what is already being funded for the next RTA worksession.

Other direction included staff investigation into voter polling and how that would be accomplished and what questions would be asked.

Next RTA Intergovernmental worksession was set for February 22, at 9:30am. It was later confirmed that the location will be again at the Mountain Village Town Hall.

Mill Levy Calculations

San Miguel County Residential Assessment Rate is 7.96% of Actual Value.

San Miguel County Commercial & Vacant Land Assessment Rate is 29% of Actual Value.

Examples:

Residential - 1 mill per \$100,000 of actual value amounts to \$7.96 annually on property tax (again per \$100k).

Commercial & Vacant Land -1 mill per \$100,000 of actual value amounts to \$29 annually (per \$100k in value)

Assessor calculates assessed value of property in the following formula:

Actual County Appraised Value x .0796 (or .29) = Assessed Value. Then multiply by the mill levy (1 mill is x .001).

MEMORANDUM

Meeting Date: February 22, 2016
RTA - Intergovernmental

TITLE: CONSIDERATIONS RELATED TO ENHANCED SERVICES

SUBMITTING DEPARTMENTS: Telluride Town Manager, County Administrator,
Mountain Village Administrator

ATTACHMENTS: NA

Enhanced Services

Lynn Black, Kim Montgomery, Nina Kotha and I met with the Transit Managers (Jason White, Jim Loebe, Rob Johnson) immediately following the last RTA meeting. The topic was enhanced services.

After much discussion and analysis, it was difficult for the group to identify specific areas for enhanced services without the benefit of refined data and further analysis. While the group was able to identify what would appear to be probable service enhancements, the group was not comfortable advancing recommendations without supporting data.

The outcome of this discussion was to recommend that the elected officials consider the enumeration of some probable areas for enhanced services, but qualify that list by noting that more data (ridership, surveys), study and analyses would be needed prior to implementation. It would be the charge of the RTA to arrange for such studies.

Areas for probable enhancement of services would include the following:

- Increased Transit Service Between Telluride and Lawson Hill
- Transit Service Between Mountain Village and Lawson Hill
- Intercept Lot Development in Lawson
- Increased Down-Valley Routes
- Increased Van Pool and Enhanced Human Services Transit

The staff believes that this is the prudent way to move forward rather than simply targeting areas for increased capital investment at the risk of overestimating value or underestimating needed services elsewhere. We will invite more discussion on this during the RTA meeting.

Trails

Another topic that has emerged in the overall discussion related to funding is that of trails. There will be more to report on this in the near future, but it is encouraging to note that some trail linkages and enhancements may indeed be included for transit funding. Many ideas were shared by the group that would help establish regional linkages.

The Telluride Mountain Club conducted a *Telluride Regional Trails Vision Survey* last Fall and the results are now being compiled. The Club is anxious to meet and discuss the survey and ideas that might emerge ... there may be the possibility of a partnered approach toward trail funding through the RTA. This would be more opportunistic than a separate pursuit for trail funding through another means. It may be a good fit.

We could orchestrate a meeting between the Club and the intergovernmental staff to pursue this idea in more detail. Stay tuned.
