

LESSONS LEARNED FROM SUMMER 2020
OCTOBER 22, 2020 SAN MIGUEL COUNTY & LOCAL GOVERNMENTS
AGENDA

INTRODUCTIONS: (1:30 - 1:35)

- **Mike Bordogna to introduce Chris Romer, facilitator**
- **Chris will set up Framework for discussion and invite participants to introduce themselves and their jurisdiction before they speak to save time.**

FRAMEWORK: (1:35 - 1:45)

- This is intended as a pandemic specific conversation, kept at a higher level of coordinated public health response. It is not intended to address economic development, marketing, local government operations etc.
- Additional state and federal funding is not certain beyond Dec 30 so there is a real need to have strong collaboration to use our limited response funds even more efficiently.
- Goal is to find ways to collaborate even more effectively moving forward, while continuing to manage the details of our local government operations independently.
- Opportunity to reflect and learn and apply to this winter and next summer.
- Parking lot

PUBLIC HEALTH CAPACITY (Grace Franklin & Henry Mitchell) (1:45 - 2pm)

- Testing - successes, challenges and opportunities
- Contract Tracing - successes, challenges and opportunities
- PPE - who is responsible for the regional supply, what are the needs
- Where are the opportunities to collaborate more effectively?
- Recovery - Unmet needs, ERC & Funding

COMMUNICATIONS (2pm - 2:25)

- Successes: Local government actions presented by one representative from each
- Challenges: What we learned (what were our blindspots)?
