

# HOW TO COMPOST PUMPKINS

## DO'S

Consider recipes for pumpkin seeds, soups, and more before carving

Remove all paint, glitter, candles, wax, and other non-compostable decorative materials.

Toss your pumpkin into the composting bin

Check back in to see how much food waste we diverted from the landfill

## DONT'S

Throw your pumpkin in the trash

Throw in pumpkins with candles, wax, glitter, paint, or other non-compostable decorative materials.

Leave your pumpkin on the ground by the bin or on top of the bin
