MOUNTAIN VILLAGE
A COLORING BOOK

The Town of Mountain Village, the Telluride Mountain Village Owners' Association and Telluride Arts collaborated with local artists to design vinyl wraps for eleven of the refurbished gondola dining cabins scattered throughout the Village Center.

The Telluride Mountain Village Gondola celebrates its 25th anniversary season this winter!

A quarter century ago, the gondola was opened to connect Mountain Village and Telluride and reduce emissions as the Telluride Ski Resort expanded.

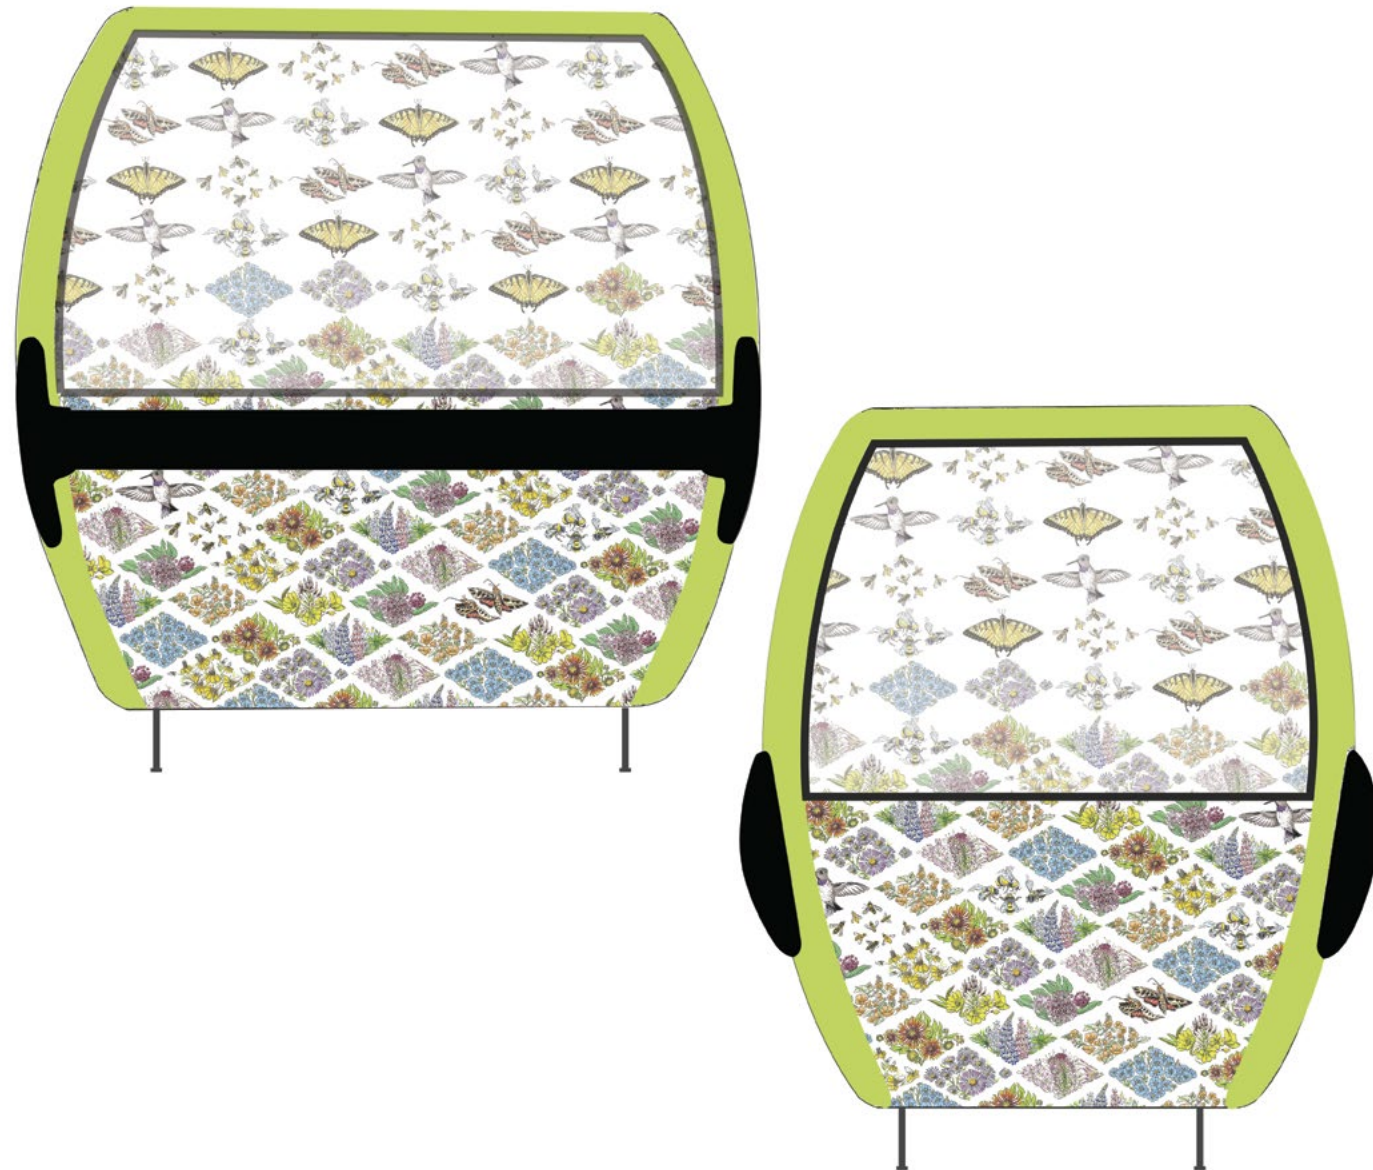

December 2021 marks the gondola's 25th birthday!

The gondola is one of the most unique forms of public transportation connecting Mountain Village to Telluride. Approximately 3 million passengers ride the gondola each year and the gondola has offered more than 50 million passenger trips since it opened 25 years ago.
