Description:

San Miguel County is embarking on the development of a new Master Plan for the eastern end of the county. The Master Plan update provides a critical opportunity for the community, organizations, and local jurisdictions to work together to create a comprehensive, forward thinking vision for the region. This Master Plan will replace the current Telluride Regional Area Master Plan, which is well over 30 years old. The first phase of the Master Plan update is “Inform & Consult.” We will be working with several topical oriented Focus Groups to gather information on current conditions, create an understanding of what the citizens of San Miguel County envision for the future, and identify how challenges and opportunities should be addressed in the form of a Master Plan. Our goal is to involve a diverse cross section of the citizens and leaders of the County so that the Master Plan will represent San Miguel County today and into the future. The general topics we are planning to address with Focus Groups are:

1. Tourism, Recreation, Visitors
2. Housing Considerations
3. Environmental Stewardship & Priorities
4. Mobility & Transportation
5. Equity, Inclusion & Livability

Because of your specific expertise, you have been invited to participate in the Tourism, Recreation, Visitors group, to be held Monday, November 7 at 4:00 p.m. (Calendar appointment with zoom links to follow.) If you are unavailable to participate at this date and time, please feel free to participate in a Focus Group held by the County on Monday, November 14 at 3:30 p.m. If you feel you should participate in another Focus Group, you may do so (see list below).

If you do not have internet access or you wish to attend in person, you may come to the Board of County Commissioners meeting room at 333 W. Colorado Avenue, 2nd floor.

If you know of anyone who should be invited to these meetings, feel free to pass this invitation along, or send us their contact information.

Interested individuals should respond to masterplan@sanmiguelcountyco.gov.
